WHEREAS, Colorado Revised Statutes (C.R.S.) Section 24-1.9-102 authorizes the county department of human services/social services to enter memorandums of understanding with specific agencies for the purpose of promoting a collaborative system of local-level interagency oversight groups and individualized service and support teams to coordinate and manage the provision of services to children and families who would benefit from integrated multi-agency services; and

WHEREAS, the undersigned desire to enter into an agreement for the collaboration of services to families and children who would benefit from integrated multi-agency services; and

WHEREAS, the undersigned agencies include all of the agencies required by statute.

NOW THEREFORE, in consideration of the premises and mutual promises and covenants herein contained, and for their mutual benefit, the Parties agree as follows:

Term of the Agreement. This MOU shall be effective beginning July 1st, 2021 and shall expire June 30th, 2022.

COLLABORATIVE MANAGEMENT MEMORANDUM OF UNDERSTANDING

SFY 2021-2022

Renewal of MOU. The Parties may renew this MOU annually subject to mutual agreement. Each Party reserves the right to elect not to renew the MOU after expiration of the current term. If any Party intends not to renew the MOU, it should give notice of such intent at least thirty (30) days prior to expiration of the Agreement.

I. Oversight Group. The Parties agree that there is hereby created an Interagency Oversight Group (IOG) as authorized by C.R.S 24-1.9-102, that is identified locally as *Kit Carson County IOG*, whose membership shall be comprised of a local representative of each Party to this MOU. Membership requirements, the status of each Party as a voting member or advisory member, procedures for election of officers, procedures for resolving disputes and procedures for the development of subcommittee groups can be found in the By-Laws/Procedure Guide (“By-Laws” or “Guide”) attached hereto as a labeled **Appendix A**. By signing this MOU, the Parties agree to follow and review these by-laws annually to ensure all statutory and rule mandates are met.

II. Target Population. In recognition of the goals of the Collaborative Management Program (CMP), children, youth and families across systems are identified and served according to their contact with collaborative programs. The CMP target population consists of at-risk children and youth ages birth through twenty-one (21) years of age and their families who would benefit from a multi-system integrated service plan or multisystem approach. An Individualized Service and Support Team (ISST) includes two (2) or more system representatives that are present to assist a child/youth/family with developing an integrated service plan directed by family need. The ISST identifies goals and facilitates collaboration and is a family-driven model for service planning. The child/youth/family members are present at and participating in the development of their plan. *Kit Carson County IOG* serves their target population(s) directly through an ISST(s) called: *KCC ISST and Family Engagement Meetings (FEM)*.

Kit Carson County IOG may also serve children, youth and families within their communities through the Collaborative Management Program by providing multi-system prevention program(s). The target population for these prevention programs consists of at-risk children and youth ages birth through twenty-one (21) years of age and their families who would benefit from a multisystem approach. A multisystem prevention program must include two (2) or more system representatives that establish a program that facilitates collaboration and address needs not currently provided within the community. *There are currently no prevention programs to include in the MOU.*

III. Services. The Parties agree to provide the following specific services, subject to the availability of funds for which the collaborative has authority as specified below.

Services Defined: (please include descriptions)

COLLABORATIVE MANAGEMENT MEMORANDUM OF UNDERSTANDING

SFY 2021-2022

- The CMP’s ISST model 1 is called *KCC ISST*. It functions as an integrated service planning model with specific policies and procedures *Appendix B*. This ISST is linked to the following performance measure: Children and youth with improved school attendance rates.
- The CMP’s ISST model 2 is called *Family Engagement Meetings*. It functions as an integrated service planning model with specific policies and procedures *Appendix A*. This ISST is linked to the following performance measure: CMP medicaid eligible children/youth who received a behavioral health screen

IV. Authorization to Contribute Resources and Funding. Each Party represents that it has the authority to approve the contribution of time, resources, and funding to solve problems identified by *Kit Carson County* in order to create a seamless, collaborative system of delivering multi-agency services to children and families. The resources and funding to be contributed are identified in Section V: Funding Sources.

V. Funding Sources. Funding identified in this MOU may be a carryover from incentive funding or savings, additional funding provided to the CMP program or any funds directed towards CMP. Additional funding may become available during the term of this MOU and the Parties agree to comply with any terms, conditions and restrictions on the funding made available to them. The Parties agree to financial risk sharing where commitments to support programs exceed the remaining monies available. The fiscal agent for *Kit Carson County IOG* is *Kit Carson County Department of Human Services* (defaults to County Human Services/Social Service Departments) and by signing here  (signature of fiscal agent) agrees to assume financial risk. The financial risk defaults to the fiscal agent unless otherwise stated here *NA*. For this reason, *Kit Carson County IOG* projects a conservative budget based on currently available resources.

VI. Reinvestment of Funds Saved.

COLLABORATIVE MANAGEMENT MEMORANDUM OF UNDERSTANDING

SFY 2021-2022

Kit Carson County IOG has established a procedure to allow incentive funds received by the CDHS, and allocated pursuant to CRS 24-1.9-104, to be reinvested by the Parties to provide appropriate services to children and families who would benefit from multi-agency services has been approved by the head or director of each Party, as documented in the By-Laws/Guide at *Appendix A, Section 2*.

The Parties agree by signing this MOU that the *Kit Carson County IOG* will review the CMP budget regularly to ensure that CMP funds are being used to serve children, youth and families that are involved in multiple systems, at risk of involvement in multiple systems. This includes funds being used to serve children, youth and families who are part of an ISST, CMP prevention program or as a mechanism to increase collaboration among Parties.

VII. Collaborative Management Processes. Pursuant to section 24-1.9-102(2)(e), C.R.S., *Kit Carson County IOG* has established a collaborative management process addressing risk sharing, resource pooling, performance expectations, outcome monitoring, and staff training which can be found in the By-laws/Procedure Guide attached hereto as a labeled Appendix A and C. By signing this MOU, the Parties agree to follow and review these by-laws annually to ensure all statutory and rule mandates are met.

VIII. Collaborative Management Program Elements.

Pursuant to section 24-1.9-102(2)(i) the Parties hereby determine that they will attempt to meet performance measures specified by the Colorado Department of Human Services, in conjunction with the Collaborative Management Program State Steering Committee, and elements of collaborative management in order to:

- A. Reduce duplication and eliminate fragmentation of services provided to children, youth and families who would benefit from integrated multi-agency services. The Parties will reduce duplication and fragmentation of services by: holding ISSTs which include all systems involved with the family and sharing each system's goal with the family to determine how to reduce duplication and fragmentation and create an integrated plan for the family.
- B. Increase the quality, appropriateness, and effectiveness of services delivered to children and families who would benefit from multi-agency services, to achieve better outcomes; the Parties will increase the quality, appropriateness, and effectiveness of services delivered through: continuous quality improvement through review of general trends, resource utilization, and other data at the KCC IOG and ISSTs.
- C. Encourage cost sharing among service providers. The Parties will encourage cost sharing through: addressing funding needs and issues at ISSTs and IOG meetings as well as collaboration on grants to serve the needs of Kit Carson County.

COLLABORATIVE MANAGEMENT MEMORANDUM OF UNDERSTANDING

SFY 2021-2022

IX. Performance Measures. *Kit Carson County IOG* has determined how performance shall be measured and has selected three (3) measures in which the Colorado Department of Human Services shall determine incentive funding to the local IOG in a labeled **Appendix E**.

- 1) *Kit Carson County IOG* has selected the following as our first performance measure:
CMP Medicaid eligible children/youth who receive behavioral health screens.
- 2) *Kit Carson County IOG* has selected the following as our second performance measure:
Children and youth with improved school attendance rates.
- 3) *Kit Carson County IOG* has selected the following as our third performance measure:
CMP children and youth who safety remain in their home.

X. Process Measures. Pursuant to section Code of Colorado Regulations 7.303.35 (A), the Parties hereby determine that they will attempt to meet process measures in order to receive the meaningful minimum portion of the collaborative management incentive funds.

Counties will receive the meaningful minimum (35% of total allocation) based on the two (2) following criteria: 1) Number of children, youth and families served and; 2) Meeting three (3) of the six (6) process measures of collaborative management.

Please select all the process measures that the CMP site will be striving for. Each CMP site must select at least three (3).

- IOG meeting attendance (all partners signing MOU attending 75% of the time at 75% of scheduled meetings);
- Family agency or member participation on the IOG as a voting member;
- Seventy-five (75%) percent of the agencies contribute resources at a service level, either in-kind or actual funds;
- Use of Evidence Based or Evidence Informed practices;
- Process of Continuous Quality Improvement used by the IOG;
- Evidence of cost-sharing.

XI. Data.

The Parties agree to use either the State provided Efforts to Outcomes (ETO) database or the Child Welfare Information System (CWIS) for data collection for CMP served clients. ETO shall be used for non-child welfare children, youth and families to track participation. Trails or CWIS database shall be used for all Child Welfare CMP served children, youth and families.

The Parties agree by signing this MOU that the attestation statement shall be completed and The Parties shall comply with Operational Memo #OM-CW-2019-0003 prior to receiving incentive funds. The CMP site is responsible to ensure there is not duplication of clients entered into ETO and/or Trails. Duplication is defined as a child, youth or family that is counted twice for the same ISST meeting or prevention program and recorded in one (1) or more CMP data system(s). A

COLLABORATIVE MANAGEMENT MEMORANDUM OF UNDERSTANDING

SFY 2021-2022

child, youth or family may be counted for multiple service episodes supported by several multi-systems partnerships.

XII. Termination of MOU. The Parties acknowledge that withdrawal from this MOU of any Mandated Party shall result in the automatic termination of this Agreement and termination of the collaborative system of delivery of services developed hereunder. The withdrawing Party shall assist the other Parties to achieve an orderly dissolution of the collaborative system with as little disruption as possible in the delivery of services provided to children and families who would benefit from multi-agency services.

- A. Withdrawal/Termination.** Any Party may withdraw from this Agreement at any time by providing 30 days written notice to all other Parties.
- B. For Loss of Funds.** Any Party may withdraw from this Agreement, or modify the level of its commitment of services and resources hereunder, in the event of loss or reduction of resources from its funding source identified herein. Any Party withdrawing due to loss of funds will provide notice of withdrawal, in writing within 30 days.
- C. Distribution of Funds.** The Parties have established a collaborative management process addressing the distribution of funds if the MOU is terminated as further described in the by-laws/procedure guide. *Appendix a, Section 1, Subsection 13.*

IN WITNESS WHEREOF, the Parties hereto, through their authorized representatives have executed this Memorandum of Understanding and commit to all elements described above, effective for the dates written above. (Please note scanned and electronic signatures are acceptable)

XIII. Confidentiality Compliance. The Parties agree that State and Federal law concerning confidentiality shall be followed by the Parties and Kit Carson County IOG. Any records used or developed by Kit Carson County IOG or its members or by the ISST or Prevention Program that relate to a particular person are to be kept confidential and may not be released to any other person or agency, except as provided by law.
